WE HELP CREATE SPACE®

ABOUT US

Delivering smart, durable and cost-effective prefabricated solutions that create value, save time and build a better tomorrow.

WHO WE ARE

Niko Prefab is a leading manufacturer and supplier of prefabricated building solutions with over 18 years of industry experience. We specialize in Porta Cabins, Portable Toilets, MS Containers, Security Cabins, Prefabricated Labour Colonies and PUF Panel Solutions.

With advanced manufacturing capabilities, quality materials and a customer-first approach, we deliver customized, reliable and cost-effective solutions across Delhi NCR and Pan India.

OUR MISSION

To deliver high-quality prefabricated building solutions that help organizations reduce construction time, optimize costs, and create functional spaces through innovation, reliability, and customer-focused service.

OUR VISION

To become one of India's most trusted and preferred prefab construction partners by setting industry benchmarks in quality, efficiency, sustainability, and customer satisfaction.

We aim to drive the future of modern construction through smart, scalable, and environmentally responsible building solutions.

OUR PRODUCTS

We offer a wide range of high-quality prefabricated solutions designed to meet diverse project needs with speed, durability and efficiency.

PORTA CABINS

Our porta cabins offer fast, flexible and cost-effective space solutions for offices, accommodation, classrooms, site offices and more. Built with high-quality materials, they ensure durability, comfort and quick installation.

MS OFFICE CONTAINERS

Strong, secure and highly durable MS containers suitable for offices, storage, security cabins and customized applications. Ideal for industrial, commercial and infrastructure projects.

PREFABRICATED LABOUR COLONIES

We design and construct safe, comfortable and well-organized labour colonies with accommodation, dining, kitchen, toilet and other essential facilities for a better living environment.

PREFAB SITE OFFICES

Functional and efficient site offices built to support on-site operations. These offices are insulated, durable and equipped with electrical fittings for a productive workspace.

PORTABLE TOILETS

We provide a wide range of portable toilets including HDPE, LLDPE, FRP and Bio Toilets ensuring hygienic, durable and easy-to-maintain sanitation solutions for all environments.

PUF PANELS

High-performance insulated PUF panels for prefab buildings, cold storages, clean rooms and industrial applications. They provide excellent insulation, energy efficiency and quick installation.

MODIFIED ISO CONTAINERS

We modify old ISO cargo containers into modern office containers with insulation, electrical fittings, windows, doors and interior finishing.

OLD ISO CARGO WORTHY CONTAINERS

We supply high-quality used cargo worthy containers that are strong, durable and suitable for storage and transportation.
